

Sonrise Infant Care & Preschool

Digital Photo/Video Waiver

At Sonrise we like to capture events of the day to share with you. We take photos or videos as part of our instructional program as well as a way of sharing these activities with our parents and community.

We need your permission to photograph or include your child in video clips for use in our parent newsletters, Sonrise brochures, digital portals/sites and company website.

We will never use names, addresses or any other personal information in these publications.

By signing below you give Sonrise staff and team members permission to photograph and/or include your child in video pieces to use in displays, newsletters, brochures, digital portals/sites and on our company website.
